

ARCHITECTURAL LEADWORK

As mentioned, our cast iron range also includes bench seats, bollards and tree protection grates. We believe these products, and in particular, our cast iron benches complement any garden. Please refer to the following sample of photographs of our cast iron park benches.

Should you have any questions or require further information on any of the products mentioned, or indeed if you are looking to source a bespoke item, please do not hesitate to contact us at info@leadwork.com.au for further information and to obtain indicative pricing.
